**WSOP Circuit Series at the Arena Poker Room at Talking Stick Resort
Rescheduled for **May 13-24, 2027**.**

The World Series of Poker (WSOP) and the Arena Poker Room at Talking Stick Resort have mutually decided that the highly anticipated WSOP Circuit Series, originally planned for November 2026, will be rescheduled for May 13-24, 2027.

While we know many players were eagerly looking forward to the November series, this additional time allows us to ensure an outstanding inaugural WSOP Circuit experience in Arizona. We sincerely appreciate the patience, understanding, and continued loyalty of our incredible poker community as we prepare to bring this premier event to Talking Stick Resort.

The rescheduled series will feature 18 official WSOP Circuit Ring Events, and both organizations remain fully committed to delivering a first-class tournament experience worthy of this historic debut.

We look forward to welcoming players from across the region and beyond to the Arena Poker Room in May 2027 for what promises to be an unforgettable series. Additional event details, including the full tournament schedule, will be announced in the coming months.

Thank you for your continued support, and we can't wait to see you at the tables.
