The Arena Poker Room will donate \$10,000 in the form of twenty \$500 Charity donation chips. The Charity donation chips work like bounties for players who knock a celebrity out of the tournament. When a player knocks a celebrity out of the tournament, the player will receive a Charity donation chip. The Charity donation chip will provide the player with a charitable receipt from Helping Hands for Single Moms in the amount of \$500 and a picture with the celebrity they knocked out.
